

In the 1980s, when the Kreismans' daughter Diane came to live in Sarasota with her parents, they were unable to find adequate local facilities to treat her severe depression and symptoms of schizophrenia.

They worked to raise awareness of the problem in Tallahassee and to secure funding from the State to provide quality care for persons who were suffering from serious mental health disorders.

The Kreismans' efforts helped bring Coastal Recovery Centers, which is now Coastal Behavioral Healthcare, its first mental health services contract from the Florida Department of Children and Families in 1989.

Two years later, they were successful in bringing to Sarasota the funding necessary to build the first public Baker Act receiving facility in the county, now known as the Kreisman Center Crisis Stabilization Unit (CSU).

Recently, in recognition of their contributions to raising awareness and making a difference,

the Kreisman Family received the Sunshine from Darkness first annual Diamond Award.

Further testament to the efforts of the Kreisman family is a recent four-year, \$2 million award from the Substance Abuse and Mental Health Services Administration for the integration of primary and behavioral healthcare on the newly dedicated Kreisman Campus for Integrated Health Care.

The Kreismans' determination to deal with this issue head-on has made it possible for many others throughout Southwest Florida to get the care they need to grow and prosper, despite the challenges of mental illness.

On behalf of the people of Florida's 13th District, I recognize the Kreismans' successful efforts on behalf of area residents dealing with mental illness, and applaud Coastal Behavioral Healthcare's dedication of its 10th Street site as the Kreisman Campus for Integrated Health Care in their honor.

ENERGY AND WATER DEVELOPMENT AND RELATED AGENCIES APPROPRIATIONS ACT, 2012

SPEECH OF

HON. TIMOTHY H. BISHOP

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2011

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 2354) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2012, and for other purposes:

Mr. BISHOP of New York. Mr. Chair, pursuant to the terms for debate on H.R. 2354, the Energy & Water Development Appropriations bill; I submit the following.

IN MEMORY OF LOUIS ARTHUR BEECHERL, JR.

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2011

Mr. SESSIONS. Mr. Speaker, I rise today to recognize and remember my friend, Louis Arthur Beecherl, Jr. He was kind, generous, and a man of great character that deeply loved God and country. Louis passed away on Tuesday, July 5, 2011.

Born and raised in Dallas, Texas, Louis graduated from Highland Park High School and received Bachelor of Science degrees from Tulane University and the University of Texas. He proudly served as a servicemember in the United States Navy and had a successful career in the energy business spanning forty years.

Louis' life reflected his love for his community and his belief in service. From serving in numerous civic and charitable organizations to participating in the public policy process, he always sought to meet the needs of others and worked tirelessly for the betterment of our community. His passion for water conservation motivated him to become involved with the Texas Water Development Board and the Trinity Improvement Association. His belief in the importance of higher education led him to

establish distinguished professorships and faculty chairs at the University of Texas at Dallas and to serve on the Board of Regents for the University of Texas System. The YMCA of Metropolitan Dallas, Salvation Army, and the Circle 10 Council for the Boy Scouts of America are among the many other organizations he supported. His unwavering commitment to help others inspired us all and his legacy speaks loudly of his impact on our community.

Mr. Beecherl is survived by his loving wife of sixty-one years, Julie; his sons, Louis III and wife Cynthia, John and wife Mary, Will and wife Kay, Ernest and wife Susan, Robert and wife, Medore; his daughters, Jan Davis and husband Alan, Mary Dillard and husband Bill, and Kay Herring and husband Edward; his thirty-five grandchildren, and four great-grandchildren.

I am honored to have known him and called him my friend. He will be greatly missed. May the peace of God be with those he loved and sustain them through this hour of sorrow.

HONORING THE REPUBLIC OF CROATIA'S AMBASSADOR KOLINDA GRABAR KITAROVIC

HON. JAY INSLEE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2011

Mr. INSLEE. Mr. Speaker, I rise today as a founding member of the Congressional Croatian Caucus to recognize the service of Croatia's Ambassador to the United States, Kolinda Grabar Kitarovic, and the work of other Croatian Americans. On March 30, 2011, Kolinda Grabar Kitarovic was named a top deputy to the North Atlantic Treaty Organization's (NATO's) Secretary General Anders Fogh Rasmussen. She will serve as NATO's Assistant Secretary General for Public Diplomacy and she departed Washington for Brussels at the end of June.

Many in the United States will miss Ambassador Grabar Kitarovic. On March 19, 2008, she was sworn in as Ambassador Extraordinary and Plenipotentiary of Croatia to the United States after serving three years as Foreign Minister of her new nation-state. In Washington, she effectively communicated her nation's desires to join the West and fully integrate her country into Euro-Atlantic multilateral alliances after the dissolution of the former Socialist Federal Republic of Yugoslavia in the
